

MSI Winter Wear

Maintenance Crew Jackets & Bib Coveralls

Michigan State Industries now offers a new style of work crew outerwear designed especially for maintenance workers, public work crews, storekeepers, and warehouse staff. The jackets and bib coveralls are made with a 12 oz cotton twill outer shell, and 200 thinsulate with taffeta lining. Each jacket has 2 inside zipper pockets, outside pockets are lined with bushwhack for instant warmth, top pockets have flap closures, corduroy collar and detachable hood. The bibs are lined with the same jacket material with 28" two way side leg zippers for easy access without having to remove your boots and allow access to inside pants pockets, adjustable straps, and front two way zipper. **These styles come in brown ONLY.**
